REMEMBER

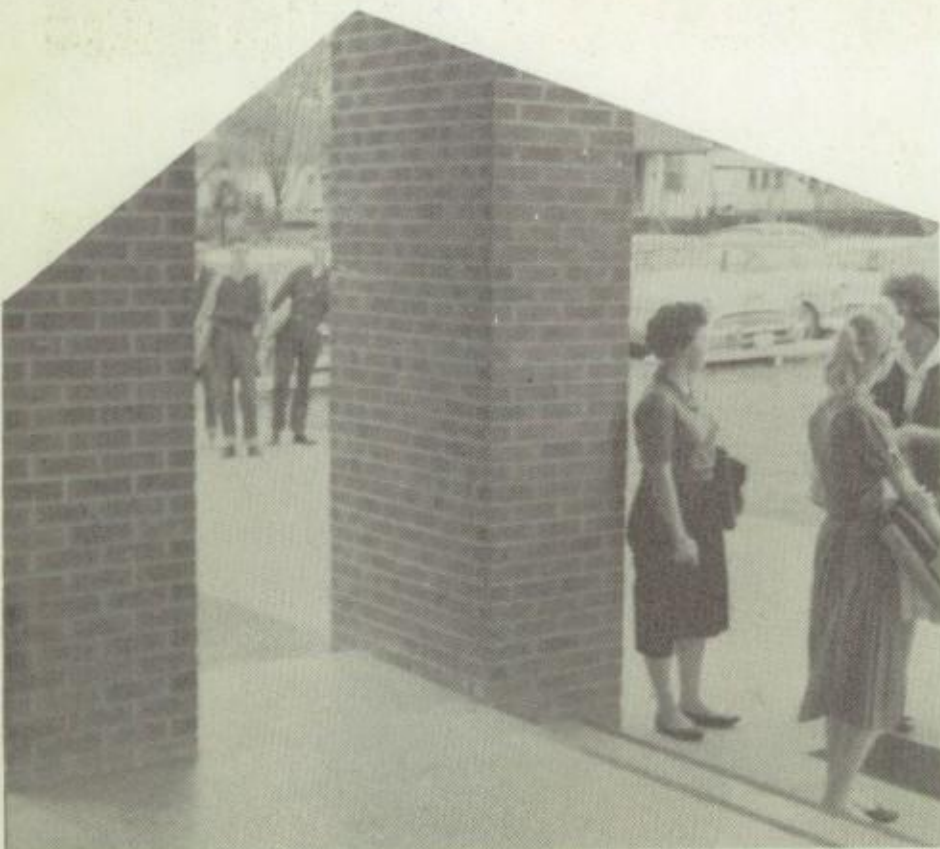

A

We the *Porker* Staff invite you to come with us and review the year in pictures and in words.

Our school year began September 2, as the school buses arrived and, —

the parking lot began to fill.

AHS students were re-united after 3 month's vacation.

After casual greetings had been exchanged, students rushed to their first period classes where they listened attentively as Mr. Wilson, Assistant Principal, read the scripture and made necessary announcements.

Lockers were assigned and at once students began to fill them to overflowing as they would remain all year.

In the office Mrs. Jordon and her office assistants began work.

Rooms were filled with smiling faces of eager students????

All went their separate ways—some to the never forgotten study hall . . .

some to the mystifying chemistry lab . . .

some to intriguing mechanical drawing . . .

some to the band hall . . .

some to biology class . . .

some to typing . . .

some to the cooking departments, and . . .

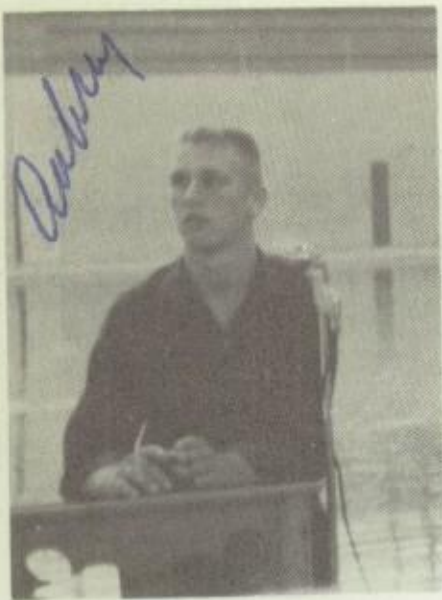

some to the sewing department.

After a long and tiring day the students relax at Lee's, and . . .

the teachers compare problems at Teachers' Meeting.

As a helpful gesture to the sophomores Aubry Adcock, Student Council president, conducts an orientation assembly.

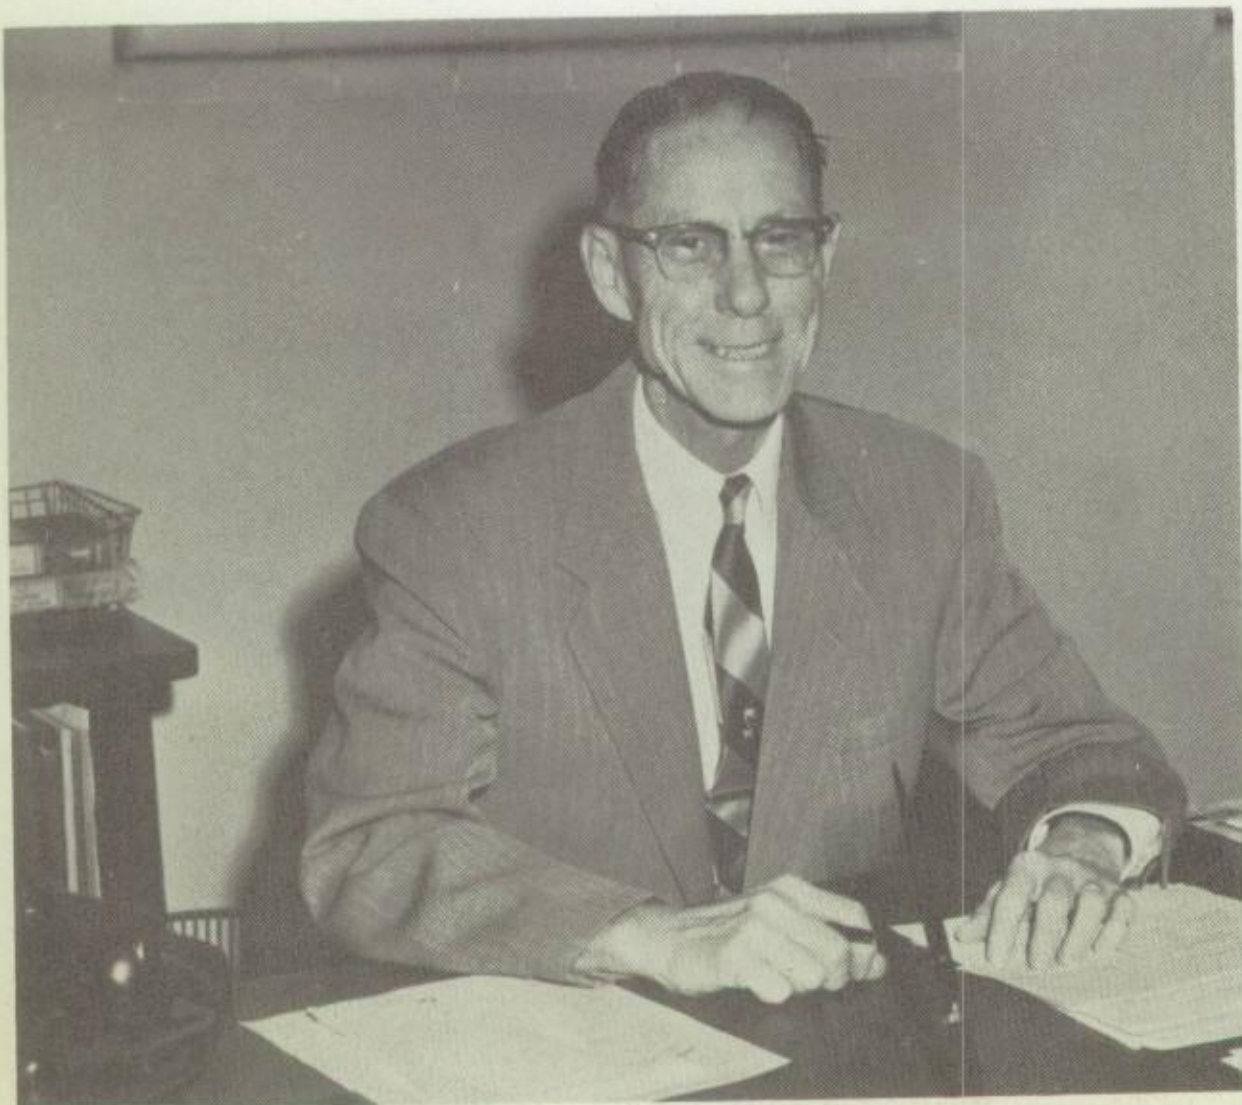

A few weeks later nervous students are seen seated on the gym floor awaiting their turn to campaign for a class office.

After speeches are made and votes are cast students return to class to await the results.

Names of Class officers are announced and they meet with their teacher sponsors to plan activities for the year.

Mr. Davis appears well pleased with all that has come about.

Mrs. Rogers and Brenda discuss various college

For many weeks the football boys practiced diligently.

In the afternoons before home games AHS students formed a parade led by the cheerleaders and wound round town.

Many students piled into buses to attend out of town games.

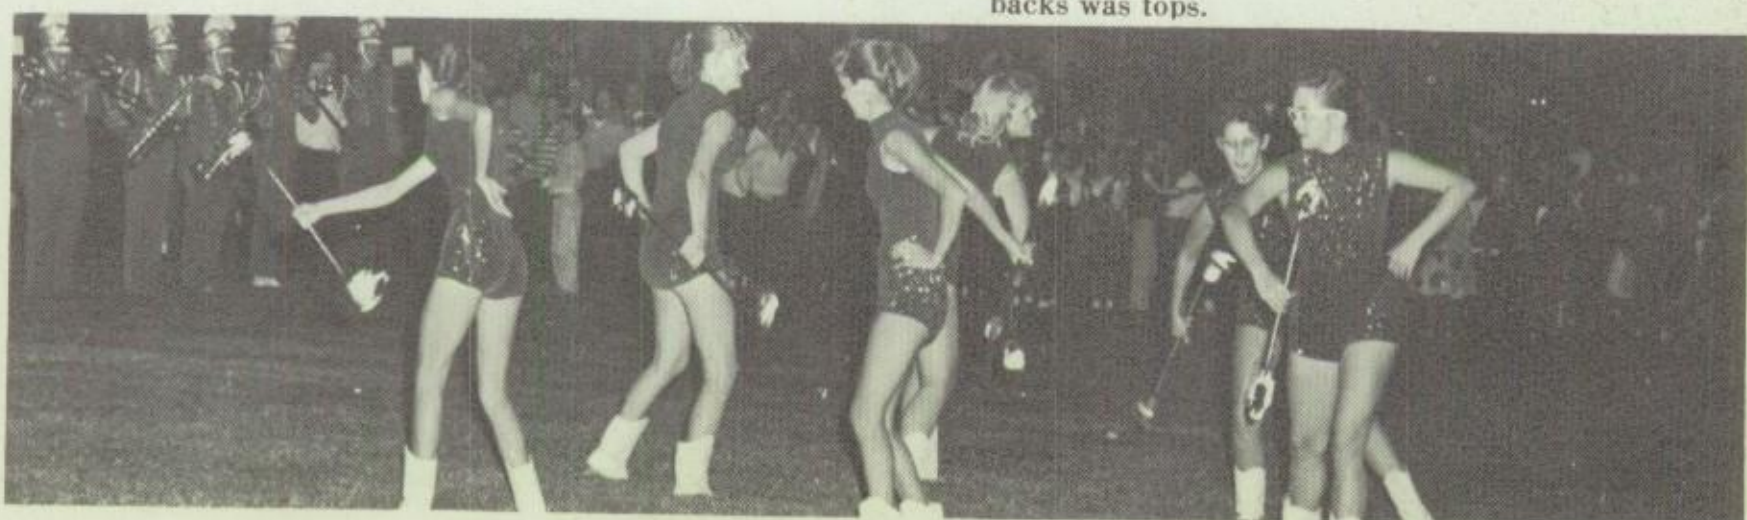

The Red Jackets also practiced faithfully.

Spirits ran high at morning pep rallies.

No matter where the game, attendance was good and the performance of skill and sportsmanship presented by the Razorbacks was tops.

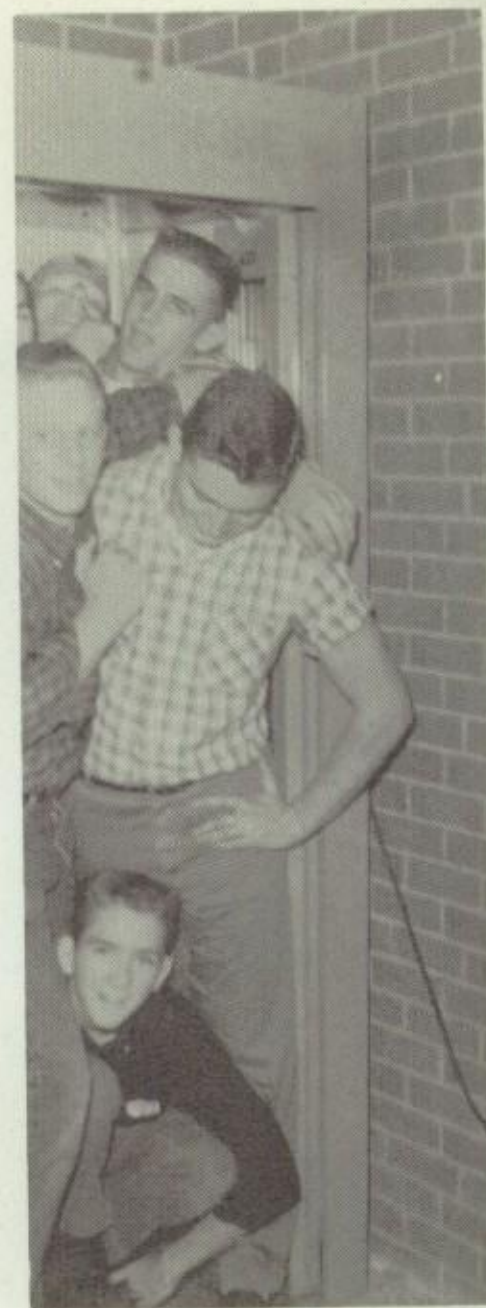

The AHS Band was a great asset throughout the football season.

AHS students greatly enjoyed the monthly edition of the *RAZORBACK*.

The Latin Club presented a clever and interesting play each month for its members.

This was a common scene for several days after the arrival of the telephone booth. "Anybody have a dime?"

The Singing Belles looked very attractive and sang beautifully as they made their first appearance before the student body.

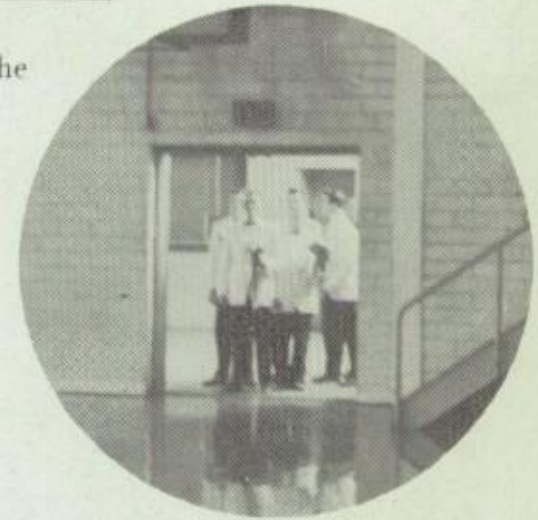

At the end of the nine weeks the "brains" of AHS gathered for a "Straight A" party given by the National Honor Society.

Many preparations were made and then came the "big" day. The royalty . . .

. . . and their escorts made last minute adjustments.

en came one of the most exciting moments of the school year—Anita Fenwick was announced Football Queen.

After a beautiful homecoming ceremony the Queen, Maids, and their Escorts pose for pictures.

The Cheerleaders also paused to pose for a picture.

And our faithful photographer ran from one end of the gym to the other capturing on film just the right poses for the PORKER.

Another Event of the year was the talent show sponsored by the Student Council.

The Student Council also sponsored a "White Christmas" which made possible food and toys for needy families.

The Speech Club members seemed to be having a wonderful time at their Christmas Party.

Seniors enjoyed the beautiful tea given in their honor by the senior home economics girls.

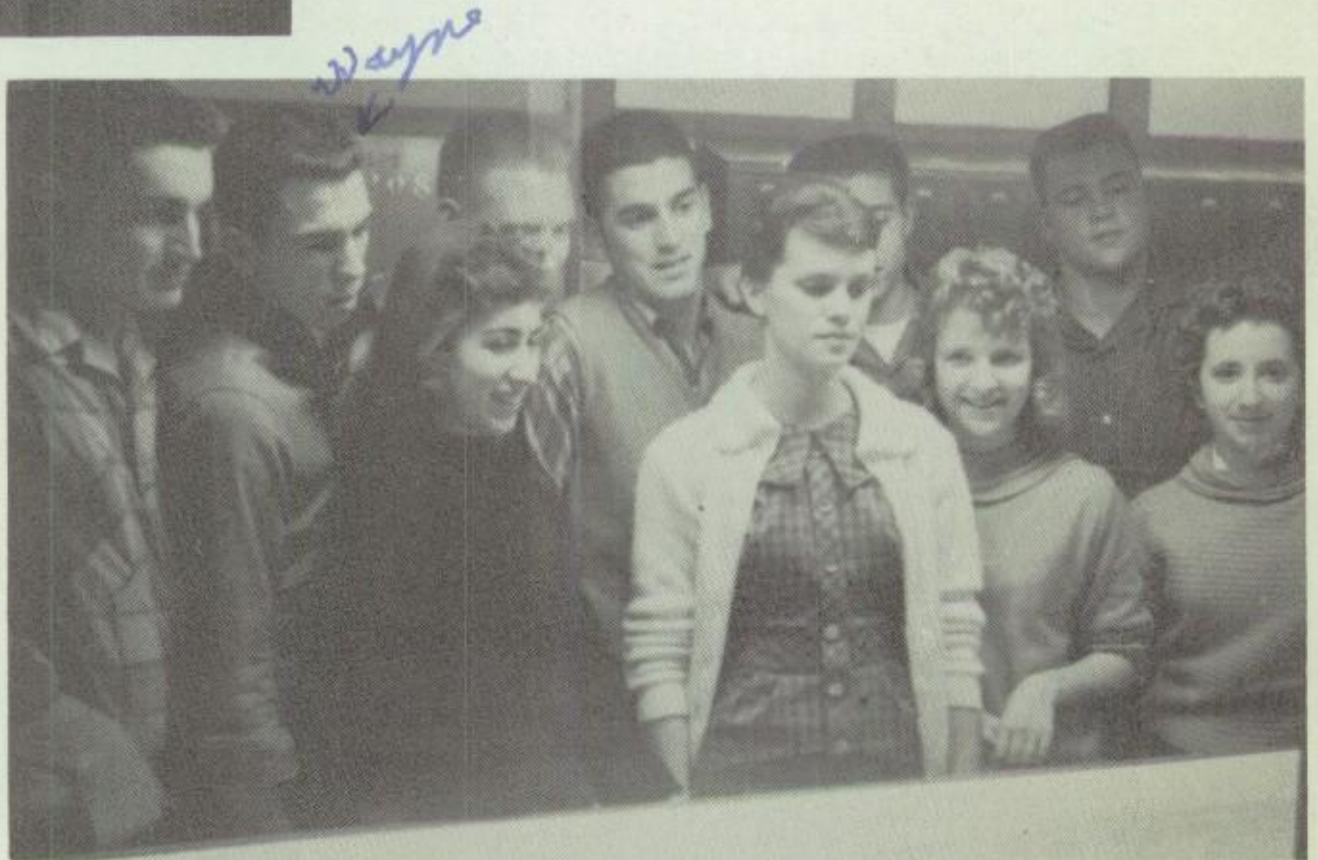

Just before the school closed its doors for the Christmas holiday the Band, Chorus, and Student Council united to present beautiful religious Christmas Assembly.

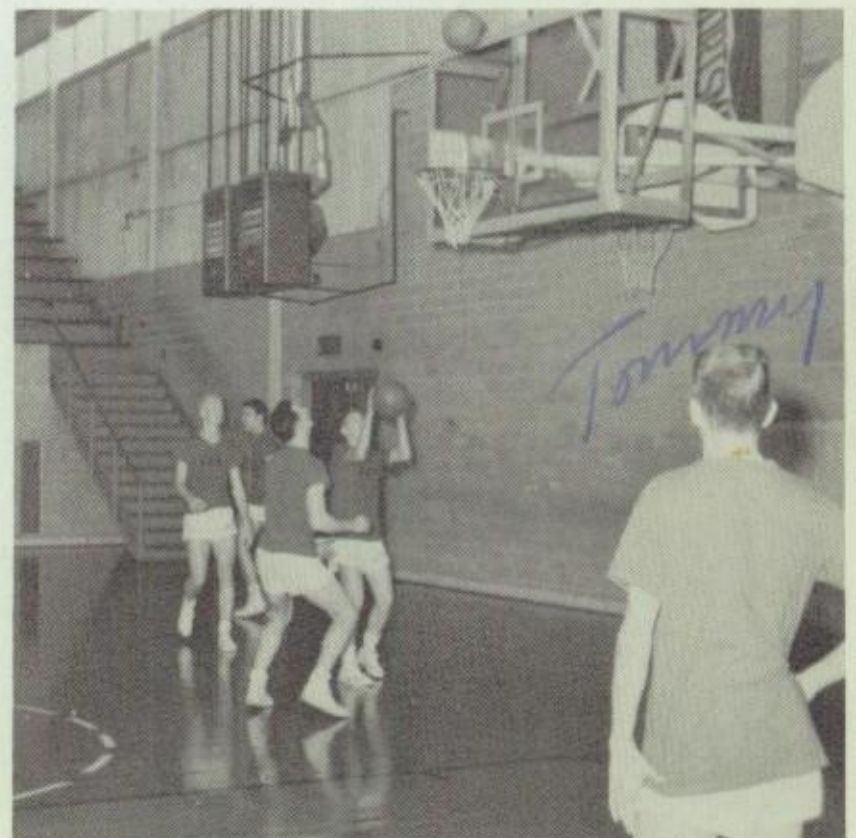

AHS students received a rare treat as they listened to Governor Faubus as he addressed the student body. The Americanism Club headed by Bill Tate, president, and Mr. John Rateliff, sponsor, were responsible for this assembly.

Here you see an "inside-out" view of the seniors looking into the upstairs showcase trying to decide which invitation to cast their vote for.

And now a scene familiar to us all—a student burning that "midnight oil" for semester exams.

The basketball boys spent many hours after school practicing.

Students will never forget the "blizzard" of 1960 with its 4 inches of snow.

We regret that we must stop here, but there is a deadline to be met, however, we of the Porker Staff hope you have enjoyed this addition to the Porker. Before we leave you, we would like to present a few preview shots of things that will happen before the year is over.

Weeks before the Senior Prom senior girls plan their outfits.

Senior students garbed in outfits for Senior Day, await bus.

Final scene: Seniors don caps and gowns for graduation.

Sports Review

We would like to conclude this sports section with a resume of the 1959-60 sports season.

With a season that included six wins, fives losses, and one tie our football team proved to be a strong contender in every contest.

Before a standing-room-only crowd the Razorbacks played with every ounce of stamina they could get only to have the winning touchdown nullified by a penalty in the last seconds of the game against the cross town rivals. Final score, 12-13.

The Hogs started many of their games as the underdogs and came out either with a victory or with a feeling of having played fine football.

The climax of the season came on Thanksgiving Day when 14 seniors played their last game for AHS against DeQueen. These seniors sparked and the Razorbacks proved to be definite leaders in this game.

The boys basketball team, however, was not quite so fortunate with a 3-21 season. The girls had a very good season with an 11-6 record.

The track team and golf team had not yet begun their action when the annual was completed. However, our track team of 1959 was an excellent one, as they went ahead full steam to capture the state championship. In helping our team to win, John Evins set a new state pole vault record last year with a jump of 12'2". Most of the participants in last year's team are returning this year and the team promises to be one of the top teams in the state.

Our golf team, too, shared in the state honors when they captured the 1960 state championship. Once again some of the same boys are playing this year.

Athletics at Arkansas High School has come a long way and is still climbing, thanks to our coaching staff, the participants, and you, the student body.

Dear Gary,

I maybe late in signing this but better late than not at all. I have really enjoyed going with you. We have had our ups and downs but you just can't imagine how much I have learned from you and how much I appreciate it.

I want you to think about me next year when I will be up at Fayetteville homesick and everything else you can imagine. Let's just hope I don't have to go. I want to stay here so I can watch you play basketball.

If you stay as sweet or the same as you are now you will amount to a lot. I really believe that you won't let anything stand in the way of your progress. You can look far and wide for people but I bet in a life time I won't ever meet another like you. I hope not any way. (I mean that to be good).

Love ya,

Betty Gilliland

Dearest Gary,
Well Gary, I've
known you a long
time, in fact, as long as
I can remember, but this is the
first year I've ever gone to
school with you. I've had
lots of laughs sitting at this
table and I've thought all the
times I still think you're a
real sweet guy.
Love,
Nina Lee

Dear Gary,
It really has
been nice going to this
school with you. You are a
darling boy & I hope
we will always
be friends.
